CHAIRMAN'S WORDS

Brij Raj Punj
Chairman & Managing Director

“We continue to take decisive steps to counteract ongoing headwinds and build on our accomplishments.”

Dear Shareholders,

It gives me great pleasure in welcoming you on the eve of a momentous landmark of 60 glorious years in the history of your Company. This undoubtedly is a moment of immense pride for all of us who have been part of this inspiring journey. But even more so, a sense of fulfillment that comes from the creation of an exemplary Indian private sector enterprise. It is indeed a matter of great satisfaction that together we have built a national asset that will continue to create growing value for all our shared tomorrows.

Amidst global backdrop, this was the year when India was globally acknowledged as the world's fastest growing large economy with 7.6% GDP growth rate on the back of controlled inflation, rise in domestic demand, increase in investments, decline in oil prices and reforms among others, therefore, offering a plethora of new opportunities to the world. The sharp decline in commodity prices has impacted the economy of many commodity producing countries. However, the medium to long-term economic outlook in India continues to look promising and it is encouraging to see the Government's drive to continue to liberalise the economy and focus on social sector spending in building both hard and soft infrastructure. These are critical initiatives to make the nation's economy more productive and resilient in the future.

The governance landscape in the economy continues to evolve and align more closely with the global framework to facilitate the integration of the Indian corporate entities within the global network. The introduction of the new accounting standards – Indian Accounting Standards (AS), is a step in this direction. Your Company is geared up to the requirement of these new standards. The current Indirect Tax regime in India provides for a complex tax environment due to multiplicity of taxes, elaborate compliance obligations and tax cascading. To simplify the structure of Indirect Taxation, the Government has proposed implementation of Goods and Services Tax (“GST”) which, if passed, will stand for one singular tax to be imposed on all goods and services in the country and will replace all forms of Indirect Taxes.

I am pleased to report that we ended the year with the positive note, when the global and Country's economy remained adversely affected; your Company continued to maintain its growth strides. Your Company clocked Total Revenue of ₹ 1035.01 Crores and earned Net Profit of ₹ 21.58 Crores during the nine months period ended 31st March, 2016. We continue our practice to consistently reward our shareholders and accordingly, the Board of Directors of the Company have proposed a dividend of ₹ 0.75 per share which is subject to your approval at the forthcoming AGM. This

reporting period of your Company comprised of 9 months as your Company has changed its financial year from "1st July to 30th June" to "1st April to 31st March", in order to align with the requirements of the Companies Act, 2013.

The outlook for the global economy is mostly positive with growth picking up in the US, India and Southeast Asia, while several emerging markets are experiencing a deceleration in growth. However, the structural shift in the transitioning Chinese economy could cap this momentum. Countries and businesses are becoming increasingly interdependent through trade, investment and financial systems across the world. The risks and opportunities in the steel business are getting larger in scale and impact, with their sources becoming more diverse and global.

A robust and thriving Power sector is central to India's sustained economic growth. India's power sector has evolved substantially over the last few decades and is now witnessing unprecedented interest and investments across the value chain. With the global economic growth and industrialization, power consumption is escalating rapidly, creating demand for more power and compelling industry players to manage their power portfolio efficiently.

Your Company has three business segments namely (i) Steel Structures & Engineering; (ii) Power Projects; and (iii) Environmental Control Systems and each of our businesses segments had a strong role to play in delivering these robust results. During the period under review, the revenue generated by Steel Structures & Engineering, Power Projects and Environmental Control Systems represents 72.40%, 25.67% and 1.93% respectively of the Total Revenue recorded by the Company.

Your Company's wind tower division grew to its all-time high by more than 250% as compared to the previous year. During the period, we ramped up our production from 3 towers per month to 8 towers per month. I would also like to take this opportunity to inform that your Company's Haridwar Plant has obtained a Certification of the Plant for ISO:14001 & OHSAS:18001 and Membership of National Safety Council (NSC) & Quality Circle Forum of India.

Your Company aspires to establish itself as a global player executing turnkey projects by various funding agencies, for infrastructure development at various countries for, inter-alia, Construction of Railway Bridges for Bangladesh Railways, Rural Electrification with Ministry of Electric & Energy for Myanmar, Rehabilitation & Reinforcement of Transmission Substations

at Nigeria, Supply & Erection of Workshop Equipments with Tandaho Sugar Corporation at Ethiopia etc.

As a responsible corporate citizen we at Fedders Lloyd, continued our voluntary efforts towards serving its community by undertaking various Corporate Social Responsibility (CSR) initiatives through Pandit Kanhaiya Lal Punj Trust (PKLP), philanthropic arm of your Company. We are committed for being a responsible and active corporate citizen, consistently working to improve its business while contributing to the betterment of our local communities, the environment and society overall. At Fedders Lloyd, we always follow highest standards of internal controls and governance and are committed to continuously enhance these standards by imbibing the global best practices to stay aligned to the evolving business environment. During the period, your Company continued to focus in the areas of education, women empowerment and disability areas and provide a range of interventions that helped in building internal capacities.

Having established ourselves as strong players in all the areas of our presence, we are now firmly on track towards expanding and growing our business as we surge towards future. We remain encouraged by the long term macroeconomic fundamentals supporting our business and we are optimistic about enhancing our profitability and maximizing returns to our stakeholders. Overall, your Company is equipped to shift to a higher growth trajectory.

I would like to conclude by thanking and expressing my deep gratitude I have for the unstinted support extended by my colleagues on the Board, staff and all our dedicated and motivated employees of Fedders Lloyd who are the greatest assets of the Company and who have with their passion, hard work and commitment taken it to this level. I would also like to thank our stakeholders and partners in growth for reposing their confidence and faith in the Company and for their contribution which has helped the Company to achieve its position of strength in the industry. I look forward to your continued support in our quest to beat our own benchmarks and set the stage for a bright future of your Company.

Thanking You,

With Warm Regards,

Brij Raj Punj
Chairman & Managing Director

60 Glorious Years of Quality Products

CORPORATE SUSTAINABILITY

Respecting the Land & Community

Caring, Sharing, Growing

“We will, with utmost care for the environment and society, continue to enhance value for our customers by providing innovative products and economically efficient solutions; and for our stakeholders through growth, cost effectiveness and wise investment of resources”

Fedders Lloyd has embarked on a mission to be a global leader in sustainable development – envisioning, developing and making a material difference in the living spaces of the future. Sustainability has been part of our value system and corporate culture for a long time. However, it is a journey and our perspective and actions continue to evolve. Since its foundation, Fedders Lloyd has continuously strived to contribute to the sustainable development of society through the manufacture and provision of innovative and quality products and services that lead the times. We believe this constitutes balancing the Triple Bottom Line - defined as the achievement of three interdependent and mutually reinforcing goals of economic development, social development and environmental protection. We have continually endeavoured to achieve growth that strikes a balance between our economic, social and environmental footprints.

Fedders Lloyd is developing customer solutions that drive sustainable growth around the globe, including efficiently using and conserving global resources, developing energy efficient products, reducing emissions, protecting the environment and volunteering time to help build stronger communities.

We are making sustainability a hallmark of our business. Working with all of our stakeholders, we are driving process innovations that deliver continuous improvements and contribute to a cleaner environment. The Company's Board and management are committed to ensuring that responsible business and sustainability considerations are integrated into business thinking and decision making. Sustainability brings a genuine competitive advantage. We believe it contributes to the innovation of our leading products and to our long term economic performance.

Through our dedication to sustainability we seek to align our business values, objectives and strategy with the needs of stakeholders, employees, customers, investors, subcontractors, suppliers and impacted communities etc. while embedding responsible and ethical principles into all business operations.

ENVIRONMENTAL PROTECTION & RESOURCE CONSERVATION

At Fedders Lloyd, we aim to achieve environmental protection through the wise use of natural resources and technological innovation and to gear all business activities towards protecting and conserving nature. We endeavor to develop products which leave a minimal impact on environment. A step towards environmental sustainability, the Company has forayed into Solar Power Business which envisaged a long term business opportunity.

Fedders Lloyd not only believes in the need to stay at the forefront of technology, but also in the active promotion of environmental awareness and conservation. In order to lead by example, we have implemented the Environment, Health and Safety ("EHS") management system, which strives to provide a safe and healthy working environment for our employees, and aims to achieve the following objectives:

- Increase awareness of the importance of EHS in our design, production and operation processes.
- Systematically identify potential environmental risks and occupational hazards.
- Lay down specific EHS requirements for our purchasing strategy, and promote EHS throughout the whole supply chain.

- Encourage EHS awareness among our employees and cultivate a corporate culture that emphasizes the individual responsibility that each of us have towards the environment.
- Increase focus on sustainable development through the reduction of energy consumption and efficient usage of resources.

ECONOMIC PROSPERITY & CONTINUITY

As part of its strategy to conduct business in a sustainable manner, Fedders Lloyd focuses on profitable business growth while ensuring that it adheres to ethical standards of doing business. The Company's focus continues to be on improving operational efficiencies through process and cost optimization measures. Over the years, we are focusing on growth by taking in a clear market position and provide strong products and services. We are focusing to create value in our business processes and structures by maximizing efficiency and reducing waste which strives to achieve economic prosperity. We believe that sustainable development is self-perpetuating, and that our investment in sustainable development initiatives generates the tangible and intangible profits necessary to ensure that Company itself is sustained.

SOCIAL RESPONSIBILITY

At Fedders Lloyd, we believe that in the strategic content of business enterprise possess, beyond mere financial resources, the transformational capacity to create game-changing development models by unleashing their power of entrepreneurial vitality, innovation and creativity. In line with this belief, the Company continues to craft unique models to generate livelihoods and create a better society. Such Corporate Social Responsibility ("CSR") projects are far more replicable, scalable and sustainable, with a significant multiplier impact on sustainable livelihood creation and working for a cause of humanity. The CSR initiatives taken by the Company are set out in a separate section on "Corporate Social Responsibility" forming part of this Annual Report.

CORPORATE SOCIAL RESPONSIBILITY

Paving the path to Progress

“Our growth has true meaning when it creates betterment opportunities for the people around us”

Your Company is at the forefront of Corporate Social Responsibility (CSR) and sustainability initiatives and practices. The redefined ‘Core Purpose’ of the Company is to “challenge conventional thinking and innovatively use all our resources to drive positive change in the lives of our stakeholders and communities, to enable them to rise”. In line with the Company’s Core purpose, the CSR vision is to work closely towards the development of society, women empowerment, education, healthcare, disaster rehabilitation. By investing our CSR efforts in these critical constituencies will contribute to nation building and the economy.

As a responsible corporate citizen, the Company has been implementing societal activities under umbrella of Pandit Kanhaya Lal Punj Trust, a philanthropic arm of Lloyd Group. The Management, the Board of Directors and all the employees of Fedders Lloyd subscribe to the philosophy of compassionate care. This is the cornerstone of our CSR Policy.

In the years to come, we will continue to focus our efforts on initiatives that strengthen our communities and protect our environment. Some of the initiatives taken by the Company during the period are as mentioned below:

WOMEN EMPOWERMENT

Women in a tribal society play a vital role in their social, cultural, economic and religious ways of life and are considered as an economic asset in their society. Women play a crucial role in these societies yet their conditions are pitiable. They are still lagging far behind in the different walks of life like education, employment, good health, economic empowerment etc. Subsequently, during this year, Lloyd Group initiated to work for the upliftment & betterment of women belonging to the weaker sections of the society. For fulfilling this responsibility the tribal inhabited were selected. In order to know the actual prevailing conditions and the prime requirement, a proper and detailed survey was conducted in the remote villages near Maneri, Jabalpur, Madhya Pradesh. On finding that there are scarce sources of livelihood, the need of providing employment oriented vocational training was felt. In this direction imparting of various trainings were thought over and after analyzing the necessary skills required, 'tailoring' was found to be the most suitable and beneficial option.

We collaborated with 'Usha', the pioneers in the world of sewing machines and established a "Women Empowerment Centre" in Maneri in September, 2015. Being a male dominated society, the task of bringing the ladies to the center was intricate. However, after counseling and convincing, a group of 14 ladies was made. A basic level training followed by an advance level training was given by the trained professionals of Usha Company in which illiterate or less educated women were imparted the skill of making/stitching ladies' and gents' garments.

Henceforth, in short span of a few months 30 ladies were trained and adorned with opportunities and resources of self-employment, enhancing their per capita income and thus improving their standard of living.

EDUCATION

Your Company is dedicated to enhancing the life of the community in which the Company has its business operations. Our vision is to bring about change through holistic and excellent education provided to the rural youth of these communities and the focus is the girl child. We wish to help the most neglected in these communities by giving them access to quality education, nutrition and health care as they are important for achieving outstanding learning outcomes. We believe that this will instill new found hope and that these children will become agents of change and catalyze transformation.

We are constantly working in the areas of strengthening rural education infrastructure through various interventions aimed to aspire children. We concentrate largely on promoting child education through the initiatives taken by Pandit Kanhaya Lal Punj Trust. The trust has been running "Lloyd Play School" at Village Khorikalan, Tauru, Haryana and Jabalapur, Madhya Pradesh respectively. Presently, the school imparts free education to more than 120 girl children. The teaching staff at these schools is qualified and undergoes regular training to enhance their teaching methodologies.

Purkal Youth Development Society ("PYDS") is an NGO situated in the Himalayan foothills dedicated to enhancing the lives of underprivileged young people in the community. The Company in association with PYDS focuses to nurture children from very poor backgrounds through free quality education, mentorship, day long attention to nutritional needs, complete healthcare and long years of attention. The attempt is to reach out to the poor needy rural children, especially girls. The children are given quality education coupled with complete nutrition, comprehensive health support and transportation. Children gaining entry into professional programmes are also supported financially and otherwise. As a result, many hopelessly poor girls have found opportunities in life that only the economically advantaged enjoy in this country.

As contribution towards a noble cause, Fedders Lloyd also conducted Diwali Mela in association with Muskaan NGO to support differently abled. The NGO offers treatment, support and care to people who are affected by mental illness or suffering from intellectual disability.

COMMUNITY & ENVIRONMENTAL DEVELOPMENT

The Company recognizes the need for promoting ecological sustainability through resource conservation, promotion of biodiversity and use of cleaner energy sources. We aim to focus on enhancing quality of life for all. We have been actively working on examining transformative approaches to planning for environment protection, enhancement of public spaces etc. This year also, the Company has undertaken plantation activity with a view to reduce the impact of business processes.

Through CSR initiatives we aim to create value and ensure all inclusive growth. We are working assiduously to ensure that economic wealth is not just limited to the privileged, but distributed in a manner that benefits the marginalized sections of society. We are committed to abide by the Corporate Social Responsibilities in letter and spirit.

1. Brief outline of the Company's CSR Policy, including overview of projects or programmes undertaken

Lloyd Group has chosen to integrate their social commitment with their business vision. Fedders Lloyd Corporation Ltd. ("the Company/Fedders Lloyd") has been working on a wide range of Corporate Social Responsibility (CSR) programmes for community development in areas of Education; Health Care; Livelihood Enhancement & Skill Development; Girl Child Welfare; Environment Conservation; Disaster relief and Community Service. The Company believes that economic empowerment of individuals transforms them into powerful agents of social change.

At Fedders Lloyd, we aspire to create a significant societal value through our activities. We commit to operating in an economically, socially and environmentally responsible manner whilst balancing the interests of diverse stakeholders. Fedders Lloyd has adopted a focused and structured approach towards implementing its CSR initiatives. We have identified thematic and programme areas to guide the design, intent and approach of our CSR initiatives. Over the years, Company's CSR activities are carried out under the flagship of "Pandit Kanahaya Lal Punj (PKLP) Trust", the philanthropic arm of the Lloyd Group. PKLP Trust has established pre-schools with the name of "Lloyd Play School" at the village Tauru, Haryana and Jabalpur, Madhya Pradesh with the aim to provide quality education to underprivileged children with the special focus on the girl child education. As a continuing endeavor towards community development, Fedders Lloyd contributed to the PKLP Trust during the period under review and associated with various NGOs for upliftment of girl child and to support differently abled people.

The CSR Policy sets out the Company's commitment and approach towards Corporate Social Responsibility of improving the quality of life of the communities it serves. Through the CSR theme of building sustainable livelihoods, the Company endeavors to facilitate livelihood opportunities and promote socio-cultural development. As a contribution towards women empowerment, the Company collaborated with "Usha", pioneer in the world of sewing machines, to impart training to women for making/stitching ladies' & gents' garments.

While Lloyd Group pursues leadership in its business spheres; it simultaneously endeavors to promote common welfare through multidimensional activities.

2. Composition of CSR committee: During the period under review, the constitution of the Corporate Social Responsibility Committee has been changed due to the resignation of Mr. Nemichandra D. Jain from the Board of the Company. The CSR Committee was re-constituted by the Board of Directors as per the following composition:

Management Discussion and Analysis

Indian Economy

During the Financial Year 2015-16, there had been an extreme unusual volatility in the international economic environment due to which markets began to swing on fears that the global recovery may be faltering, while risks of extreme events kept on rising. Amidst this gloomy landscape, India stands out as a haven of stability and an outpost of opportunity. Its macro-economy is stable, founded on the government's commitment to fiscal consolidation and low inflation. Its economic growth is amongst the highest in the world, helped by a reorientation of government spending towards needed public infrastructure. These achievements are remarkable as they have been accomplished in the face of global headwinds and a second successive season of poor rainfall. Inflation, the fiscal deficit and the current account deficit have all declined, rendering India a relative haven of macrostability in these turbulent times.

India's GDP growth is pegged to grow at 7-7.75% in the year 2016-17 despite moderating global growth. Further, the country's long run potential growth rate is still around 8-10% and realizing this potential requires a push on at least three fronts: being genuinely pro-competition, major investments in health and education of people, and focus on agriculture.

Industry Structure and Developments

Industrial sector plays an important role in realizing higher economic growth in the country. Riding high on the performance of manufacturing sector, industrial sector in India has registered higher growth during 2015-16. Many policy measures taken by the government for creating enabling environment for industrial growth have started showing its impact on increased FDI inflows, better performance of infrastructure sector. The landmark initiatives like Make in India, Ease of Doing Business, Start-Up India, Digital India, and Smart Cities, etc. will provide further impetus to industries and the industrial sector is expected to be the key driver of economic growth in the country. These initiatives would also help in transforming infrastructure sector which is sine qua non for achieving and sustaining higher economic growth.

In order to bring about a quantitative and qualitative change and to give necessary impetus to the manufacturing sector, the Department of Industrial Policy and Promotion has notified the National Manufacturing Policy (NMP) with the objective of enhancing the share of manufacturing in GDP to 25% and creating 100 million jobs over the next decade. The policy is based on the principle of industrial growth in partnership with the States. The Central Government will provide incentives for infrastructure development on a Public Private Partnership (PPP) basis through appropriate financing instruments, and State Governments will be encouraged to adopt the instrumentalities provided in the policy.

Power supply position in the country generally improved during the 2015-16 and the Power Industry has registered a growth of 4.00%. The installed power generation capacity in the country at the end of 11th Plan was about 2,00,000 MW. The capacity addition programme during the 12th Plan period is estimated at 88,537 MW comprising 72,430 MW in the Thermal Sector, 10,897 MW in the Hydro Sector and 5,300 MW in the Nuclear Sector.

Power transmission plays an important role in evacuation of power from generating stations to load centers, system strengthening, Inter-state power transfer and augmentation of national grid. The thrust has been given to enhance the capacity of inter-regional links in a phased manner. Working in this direction, all the five regional grids are now interconnected through synchronous links. Presently, inter-regional power transfer capacity of the National Grid is about 53,150 MW and a number of high capacity inter-regional transmission links are under implementation/planning. The inter-regional power transfer capacity is envisaged to be enhanced to about 72,250 MW by the end of 12th plan.

With the growth envisaged in the Power Sector, it is imperative to undertake projects for conservation of energy and its efficiency as well. The Heating, Ventilation and Air Conditioning (HVAC) market in India is growing at a fast pace, mainly owing to the huge rise in construction activity in the real estate market. India can emerge as a major hub for manufacturing in the HVAC space provided there is a shift in focus to maintaining energy efficiency and providing incentives to the manufacturing industry.

India is witnessing significant interest from international investors in the infrastructure space. Many Multi National Companies are keen on collaborating with India on infrastructure, high speed trains, renewable energy and developing smart cities.

Segment Wise Performance and Business Outlook

The Company's strategy for longer term growth has been to continually expand its addressable market by investing in newer geographies and newer industry verticals. Accordingly, the Company's business is broadly classified into following three segments:

(1) Steel Structures & Engineering

The Steel Structures & Engineering business of the Company is equipped with highly experienced engineers and "State of the Art" manufacturing facilities with ultramodern plants and machineries for designing any prefabricated structure with latest design and technology. The Company provides onsite fabrication of steel structures, installation, supply, prefabrication of structural steel components at the fabrication facilities for large industrial projects. The Company undertakes Turnkey Projects for designing, engineering, supplying and commissioning of complete Pre-Engineered Building Solutions.

The Company has successfully completed supply, fabrication and erection work of major steel bridge girder at Jammu & Kashmir and various projects for the esteemed clients such as Bharat Heavy Electricals Limited, Delhi Metro Rail Corporation Limited, RITES Ltd. etc. during the period under review and works related to other key projects are under progress.

During the period under review, the Steel Structures & Engineering segment of the Company registered the Revenue of ₹ 749.33 Crores which represents 72.40% of total revenue generated by the Company.

(2) Power Projects

(a) Power Transmission & Distribution

The Power Project Division of the Company, inter-alia, functions in Domestic and International markets for execution of projects for Power Transmission & Distribution and setting up of Sub-stations as an EPC Contractor. The Company has assembled unrivalled skills in the Power Sector and is eligible and qualified in Power Grid Corporation of India Limited ("PGCIL") and other Utilities to execute 765 KV Transmission Projects upto 103 Kms, on stand-alone basis. During the period under review, the Company performed relentlessly for completion of the distribution projects awarded by various state utilities. The Company also actively participated in bidding process to garner various Power Projects in its best interest, whereas, the transmission projects assigned by PGCIL, Orissa Power Transmission Corporation Limited ("OPTCL") etc. were being undertaken with full swing.

The Company also has an expertise in design, supply, erection, testing & commissioning of 25KV single phase, 50 Hz, Traction Overhead Equipment, Switching Stations, Booster Transformer Stations and LT Supply Transformer Stations including foundations, structures and ancillary equipment. The Company has completed various Sub sectioning post, feeding posts and Sub sectioning and paralleling posts for Indian Railways. During the period under review, the Company has successfully completed several key projects for designing, drawing, supplying, erection, testing & commissioning of Overhead Electrification Lines awarded by Indian Railways.

(b) Renewable Sources of Energy

Over the years, renewable energy sector in India has emerged as a significant player in the grid connected power generation capacity. There has been a visible impact of renewable energy in the Indian energy scenario during the last five years. Renewable energy sector landscape in India has, during the last few years, witnessed tremendous changes in the policy framework with accelerated and ambitious plans to increase the contribution of renewable sources of energy. Renewable energy has a great potential to usher in universal energy access. In a decentralized or standalone mode, renewable energy is an appropriate, scalable and viable solution for providing power to un-electrified or power deficient villages and hamlets. India has an estimated renewable energy potential of about 900 GW from commercially exploitable sources viz. Wind – 102 GW (at 80 metre mast height); Small Hydro – 20 GW; Bio-energy – 25 GW; and 750 GW solar power, assuming 3% wasteland is made available. The Company is engaged into projects pertaining to the following sources of renewable energy:

(i) Wind Towers

The Company is engaged in the manufacturing and supply of towers for various capacity of wind turbines (upto 2 MW). During the financial year 2015-16, wind industry grew by 51 % as compared to previous year and total installation was 3,461 MW as against 2,298 MW in the previous year. To commensurate with the growth of the Wind Industry, the Company's production of Wind Towers grew over 250% in comparison to the previous year and the Company ramped up its production from 3 towers per month to 8 towers per month. The Company has also taken steps to modernize its infrastructure for production of Wind Towers in accordance with the international standards for the industry by investing in new hydraulic flange fit up machines and adopting other relevant measures.

(ii) Solar Projects

The Company is engaged in the supply of various Solar products including crystalline PV modules, home & street lights as well as provide turnkey EPC services for setting up solar PV plants suitable for residential, industrial & commercial and utility scale MW grid feed application.

The Government of India has allocated huge funds to develop approx. 1 Lac MW Solar Projects in next 5 years, hence business environment for Solar Products and Systems are likely to remain bullish in next 5-10 years. Considering this, the company foresees huge potential in this business in the coming times. The above initiative of solar power business will have great synergy with the Company's existing energy businesses. As a part of this initiative, the Company is planning to bring all its production facilities on solar power. Fedders Lloyd intends to set-up more than 500 MW Solar Plant on IPP mode in next 5 years by entering into long term PPA with Central/State Govt. Utilities/ power generation companies. Strong in-house EPC and O&M capability for solar projects, transmission line and sub-stations shall result in higher return for the solar IPP projects.

(c) International Projects

The Company is engaged in execution of international projects on turnkey basis related to Power Transmission, Distribution, Substations, Renewable Energy.

During the period under review, the Company continued to expand its presence in the International Markets by way of rehabilitation and reinforcement of 330/132 KV & 132/33KV Transmission Sub-Stations in Nigeria and carrying out of project for Rural Electrification awarded by Ministry of Electric and Energy, Myanmar.

During the period under review, the Power Projects division of the Company clocked revenue of ₹ 265.65 Crores representing 25.67% of Total Revenue generated by the Company. The Company is very much optimistic about the growth in the business of Power Projects in coming years.

(3) Environmental Control Systems

The key trends in the Heating, Ventilation and Air Conditioning ("HVAC") industry are energy savings and precision system control which has led to the use of adjustable frequency drives in HVAC systems today. The HVAC system is designed to reduce energy consumption while maintaining the interior conditions at a comfortable level to keep occupants healthy & productive.

One of the Company's key objectives is to become a leading organization for manufacturing of World Class HVAC Equipments like Air Handling Units, Fan Coil Units, Air Distribution Products etc and ensuring healthy environment. The Company aims to work closely with its customers to save energy through its latest technologies. Fedders Lloyd pursues energy efficiency aggressively and implements more environmental friendly solutions in the HVAC sector. The Company's environmental control systems division primarily provides the HVAC Equipment to Defence, Railways, Telecom and other specialized application segments, which includes designing, manufacture and supply of Air Handling Units, Fan Coil Units, Air Distribution products, Ventilation Units, etc. used mainly in Commercial Space, Shopping Malls, Buildings, Theaters, Auditoriums, Schools, Universities, Libraries, Temples, Hospitals, IT Industry, Airport, Hotels, etc.

During the period under review, the Environmental Control Systems clocked revenue of ₹ 28.03 Crores representing 1.93% of Total Revenue generated by the Company. Going by the prediction that Indian manufacturing sector can touch \$ 1 trillion by 2025, the future of the sector looks promising. India can emerge as a manufacturing hub for HVAC industry given factors like growth of construction projects, low cost operations, demand and energy efficient solutions that are at their disposal.

Opportunities, Risks and Concerns

India is expected to become the world's second largest producer of steel in the next 10 years, moving up from the third position, as its capacity is projected to increase to about 300 Million Tonnes by 2025. Consequently, there appears to be immense scope for growth being offered by India's comparatively low per capita steel consumption and the expected rise in consumption due to increased infrastructure construction and the thriving automobile and railways sectors.

The uncertainty in fluctuation of the prices of the commodities poses risks or opportunities for the Steel Structures and Engineering division of the Company.

The Indian power sector itself has an investment potential of US\$ 250 billion in the next 4-5 years, providing immense opportunities in power generation, distribution, transmission and equipment. The government's immediate goal is to generate two trillion units (kilowatt hours) of energy by 2019. This means doubling the current production capacity to provide 24x7 electricity for residential, industrial, commercial and agriculture use.

India's wind energy market is also expected to attract investments totalling ₹ 1,00,000 Crores (US\$ 15.7 billion) by 2020 and wind power capacity is estimated to almost double by 2020 from over 23,000 MW in June 2015, with an addition of about 4,000 MW per annum in the next five years.

There are enormous investment opportunities for private players across the entire power sector value chain consisting of generation, transmission and distribution and various infrastructure projects. Therefore, the entry of more private players into the power sector has resulted in increased competition. These increased competitions could adversely affect the margins of the company in the future. Since the Company is engaged in execution of various projects in Africa, unstable political situation in few countries of our operation in Africa Subcontinent could be seen as a risk to the Company's growth.

HVAC-R takes a major share of electricity bills for residential, commercial and industrial applications, which will lead to tremendous pressure on energy sources, and ultimately impact the climate. This may be eliminated by deploying energy efficient measures that are energy saving as well as help in cost cutting. The Bureau of Energy Efficiency (BEE) has also initiated several measures to promote energy saving initiatives by the Corporates.

By virtue of the Company's presence in the International and Domestic Markets, the Company is exposed to the risk of unpredictable volatility of Indian Currency with respect to US Dollar and other hard currencies coupled with increasing interest rates. New/ Amended Laws, Policies, Regulations, Standards etc. as notified by the Statutory Authorities from time to time are subject to varying interpretations and may pose risk or opportunity to the existing business operations of the Company. Their application in practice may evolve over time, as new guidance is provided by regulatory and governing bodies.

Risk management at Fedders Lloyd is an enterprise-wide function and a holistic approach has been adopted based on Enterprise Risk Management (ERM) Framework. The framework encompasses practices relating to identification, assessment, monitoring and mitigation of various risks towards achievement of business objectives. The ERM at Fedders Lloyd is aimed at dealing with uncertainty and to minimize adverse risk impact on business objectives and enables the Company to leverage business opportunities effectively. The Company relentlessly endeavours not only to minimize risks but convert them into business opportunities that allow it to maximize returns for shareholders from diverse situations. The Company has aligned risk management process with every part of the critical business processes to ensure that the processes are designed & operated effectively towards the achievement of business objectives. Risks are identified & assessed across all key business functions in a holistic manner.

Internal Control Systems and Adequacy

The Company's philosophy towards internal controls is based on the principle of healthy growth with a proactive approach to risk management. The Company has a proper and adequate system of Internal Control to ensure all the assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorized, recorded and reported correctly. The Internal Control is supplemented by an extensive program of internal audits, review by management and procedures. It is designed to ensure that the financial and other records are reliable for preparing financial statements, other data and for maintaining accountability of assets. The Company ensures adherence to all statutes.

Financial Performance

The Financial Performance with respect to operational performance of the Company is discussed in the Directors' Report which forms part of the Annual Report.

Material Developments in Human Resources (HR)

The Company's endeavour has always been to build an organisation where its people are always engaged and empowered to do their best. The Company's culture is focused on customer-centricity collaborative team work, result orientation, entrepreneurial mindset and developing people. The Company's HR strategy also aims to create a future ready pool of talent across all levels. Fedders Lloyd treats its "human resources" as one of its most important assets and most important factor in the growth process with a view to cross further frontiers in business performance.

Fedders Lloyd continuously invests in attraction, retention and development of talent on an ongoing basis. The Company strives to organize training modules for understanding and improving the core skills of the employees. The Company's thrust is on the promotion of talent internally through job rotation and job enlargement. The Company encourages long-term commitment by rewarding its people for the opportunities they create and the value generated for customers and shareholders. The Company conducts several training programmes to upgrade the skills of the workforce.

While Team Fedders seeks new opportunities to extend geographies and build on the existing relationships, at every level, in every transaction, your Company will strive to minimize risks. The team is being sensitized to do whatever it takes to anticipate and pre-empt challenges. For instance, the team makes no compromise on quality and compliance. This approach is targeted to achieve predictable growth.

The company currently has adequate man power and personnel to conduct the business without any complication or hindrances. The company recognizes the importance and contribution of the employees. The overall human and industrial relations have remained peaceful and composed during the period under review. As on 31st March, 2016, the total number of employees on the Company's payroll stood at 562.

Disclosure of Accounting Treatment

The Company follows Accounting Standards notified by the Central Government of India under the Companies (Accounting Standards) Rules, 2006 (as amended from time to time) and/or by the Institute of Chartered Accountants of India in the preparation of financial statements and has not adopted a treatment different from that prescribed in any Accounting Standard.

Cautionary Statement

Certain statements made in the management discussion and analysis report relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations, projections and so on whether express or implied. Several factors could make significant difference to the Company's operations. These include climatic conditions and economic conditions affecting demand and supply, government regulations and taxation, natural calamities and other statutes over which the Company does not have any direct control.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016 and its profit and its cash flows for the period ended on that date.

Emphasis of Matter

The Company has made a provision of doubtful debt of ₹ 4.95 Crores on account of export receivables from Ethiopia.

Report on Other Legal and Regulatory Requirements

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Fedders Lloyd Corporation Limited ("the Company") as on 31st March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the 9 (nine) months period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and Directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls system over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS

FOR THE NINE MONTHS PERIOD ENDED 31ST MARCH, 2016

NOTE:- 1

1.1 CORPORATE INFORMATION

Fedders Lloyd Corporation Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on National Stock Exchange of India Limited (NSE) & Bombay Stock Exchange Limited (BSE) in India and well diversified in the field of Environment Control Systems (ECS), fabrication of steel structures for Power, commercial and industrial construction projects and implementation of high power transmission lines. The Company has also been into exports of power equipments/components to various funded projects by multilateral agencies.

The Company has been generating revenues mainly from three segments:-

1. Environmental Control Systems
2. Steel Structures & Engineering
3. Power Transmission & Distribution and Overhead Electrification (OHE)

1.2 BASIS OF PREPARATION

The Financial Statements of the company have been prepared in accordance with Generally Accepted Accounting Principles in India (GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards specified under Section 133 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 (as amended). The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

1.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

a) Use of estimates

The preparation of Financial Statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities, at the date of the Financial Statements. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

b) Tangible Fixed Assets:

Fixed assets except leasehold land are stated at cost less accumulated depreciation. The cost includes freight, duties, taxes and other incidental expenses related to acquisition and installation. CENVAT claim, if any, on capital goods is reduced from the cost.

Capital Work-in-Progress

Projects under commissioning and other Capital Work-in-Progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

c) Depreciation on tangible fixed assets

- i) After enactment of the Companies Act, 2013, Depreciation on fixed assets is provided on straight-line basis at the rates prescribed in Schedule II to the Companies Act, 2013.
- ii) Depreciation on assets added during the year, is calculated on pro-rata basis with reference to the date of installation.

- iii) Depreciation rates have been arrived after applying estimated life provided in the Schedule-II. For calculating depreciation on various categories of assets following estimated life has been provided in the schedule :

Type of Assets	Useful Life in Years
Building	30
Plant & Machinery	15
Office Equipments	5
Vehicles	8
Furniture & Fixtures	10

d) Intangible Assets

Intangible Assets are stated at cost of acquisition.

e) Grant

Grants are recognized when there is reasonable assurance that the grant will be received and conditions attached to them are complied with.

f) Research and Development

Research costs are expensed as incurred.

g) Impairment of Assets

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment of assets. If any indication of such impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in prior accounting periods no longer exists or may have decreased such reversal of impairment loss is recognized.

h) Inventory Valuation:

- i) Raw materials and consumables are valued at cost net of MODVAT as per the FIFO method after providing for cost of obsolescence value.
- ii) Stock in process is valued at direct cost i.e. cost of materials and variable manufacturing expenses.
- iii) Finished goods are valued at lower of cost or net realizable value.
- iv) Stock in transit lying in customs warehouse is valued at cost but does not include custom duty payable, however, non-provision of duty does not affect the profit for the year.

i) Revenue Recognition:

- i) Income and Expenditure are recognized on accrual basis.
- ii) Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects Central Sales Taxes and Value Added Taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

- iii) Export sales are accounted on the basis of date of bill of lading.
- iv) Sales and service include excise duty and adjustments made towards liquidated damages and price variation, wherever applicable. Escalation and other claims, which are not ascertainable/acknowledged by customers, are not taken into account.

- v) Revenue from project related activity is recognized on the basis of running bills raised on the basis of completion of the project activities.
- vi) Dividend income is recognized when the right to receive the dividend is established.

j) Investments

Long term Investments are stated at cost. Investments in subsidiary company are of long-term strategic value and the diminution, if any, in the value of these investments is temporary in nature.

k) Foreign currency transactions

i. Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

iii. Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous Financial Statements, are recognized as income or as expenses in the year in which they arise.

iv. Forward Exchange Contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contract is amortized and recognized as an expense/income over the life of the contract. Exchange differences on such contracts, except the contracts which are long-term foreign currency monetary items, are recognized in the Statement of Profit and Loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward exchange contract is also recognized as income or as expense for the year.

l) Retirement Benefits:

Provident Fund:-

Retirement benefit in form of provident fund is a defined contribution scheme and the contributions are charged to the Profit and Loss account of the period when the contributions to the respective funds are due.

Gratuity:-

The Company's liability in respect of payment of gratuity is provided on accrual basis as per actuarial valuation. The Company is in process of having arrangement with Insurance co. to administer its Superannuation & Gratuity Fund.

Leave Encashment:-

Leave Encashment are valued at cost to company basis without considering any discounting and salary increase and provided on the basis of actual valuation.

m) Taxation:

Current Tax:

Current Tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961, except for the overseas subsidiaries and joint ventures where current tax provisions is determined based on the local tax laws. Deferred tax is recognized for all timing differences, subject to the consideration of prudence applying the tax rates that have been substantively enacted by the Balance Sheet date.

Deferred Tax:

Deferred tax liabilities represent the tax effect of temporary differences substantially on account of differences in the written down value of Fixed Assets on account of differing depreciation methods and rates and other timing differences.

The breakup of deferred tax assets and liabilities into major components at the period ended is as below:

PARTICULARS	AMOUNT (₹ IN CRORES)
Deferred Tax Liabilities	
Depreciation Difference & other Provision	4.54
Deferred tax Assets	
Other Provision	0.19
Net Deferred Tax Liability	4.35

Minimum Alternate Tax:

Minimum Alternate Tax (MAT) paid during a period is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

n) Borrowing Cost

Cost in connection with the borrowing of funds to the extent not directly related to the acquisition of fixed assets are amortized and charged to the Profit and Loss Account, over the tenure of the loan. Borrowing cost to the extent directly attributable to acquisition of fixed assets are added to the cost of fixed assets.

o) Segment Reporting

As per Accounting Standard 17 on segment reporting of Institute of Chartered Accountants of India ("ICAI"), the Company has reportable segments viz. Environmental Control Systems, Steel Structural & Engineering and Power Projects during the period under review. Accordingly the reporting is done segment wise.

p) Earning Per Share

The earnings considered in ascertaining the Company's Earnings per Share (EPS) comprise the net profits after tax. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares.

q) Cash Flow Statement

The Cash Flow Statement is prepared by the indirect method set out in Accounting Standard-3 issued by the Institute of Chartered Accountants of India as required by the SEBI on Cash Flow Statement and presents cash flows by operating, investing and financing activities of the Company. Cash and cash equivalents presented in the cash flow statement consists of cash in hand and demand deposits with banks as on the Balance Sheet date.

r) Sundry Debtors/Loans & Advances

Company, as a policy, obtains balance confirmation from Sundry Debtors, Creditors and other advances on monthly/quarterly/half yearly basis depending upon quantum of transaction made with the parties. Considering the same, Company does not have all balance confirmations as at 31st March, 2016 the effect of the same, if any, which is not likely to be material will be adjusted at the time of confirmation.

s) Provisions/Contingencies

A provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on best estimate of the amount required to settle the obligation at the Balance Sheet date.

Contingent liabilities are not recognized and are disclosed in the Notes to Financial Statement.

t) Derivative Instruments

The Company has entered into derivative contracts in the nature of interest rate swaps and forward contracts with intention to hedge its requirements and firm commitments. The contracts are mark to market and losses are recognized in the Profit and Loss account. Gains arising on the same are not recognized on ground of prudence.

u) Deferred Revenue Expenditure

Cost of travelling, Consultancy fee and other expenses related to IRIS Certification are considered as deferred revenue expenditure. 1/5 of the expenditures have been charged to Profit and Loss account.

CONSOLIDATED FINANCIAL STATEMENTS

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

To the Members of Fedders Lloyd Corporation Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Fedders Lloyd Corporation Limited ("the Holding Company") and its subsidiary company (the Holding Company and subsidiary company collectively referred to as "the Group"), comprising of the consolidated balance sheet as at 31st March 2016, the consolidated statement of profit and loss, the consolidated cash flow statement for the nine months period ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31st March 2016, and their consolidated profit and their consolidated cash flows for the nine months period ended on that date.

Emphasis of Matter

We draw attention to Note given in Standalone Report of even date.

Other Matters:

We did not carry out the audit of the financial statements of Fedders Lloyd Trading FZE, wholly owned subsidiary company included in the consolidated financial statements for the nine months period ended 31st March, 2016 whose financial statements reflect total assets of ₹ 13.92 lakhs as at 31st March, 2016 and as well as the total revenue is Nil for the nine months period ended 31st March, 2016. The financial statements and other financial information of the subsidiary have been audited by other auditors whose report(s) has been furnished to us and our opinion on these financial statements to the extent they have been derived from such interim financial statements is based solely on the report of such other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - (c) The consolidated balance sheet, the consolidated statement of profit and loss, and the consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2016 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary company incorporated outside India, none of the Directors of the Group is disqualified as on 31st March 2016 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
 - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The financial statement have disclosed the impact of pending litigations on the financial position of the Company as referred to in Note No. 39
 - ii. The Company did not have long-term contracts including derivative contracts for which there were no material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection (IEPF) Fund by the Company. However there were no amounts which were required to be transferred to the IEPF by the company during the period under review.

CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

FOR THE NINE MONTHS PERIOD ENDED 31ST MARCH, 2016

NOTE:- 1

1.1 CORPORATE INFORMATION

Fedders Lloyd Corporation Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on National Stock Exchange of India Limited (NSE) & Bombay Stock Exchange Limited (BSE) in India and well diversified in the field of Environment Control Systems (ECS), fabrication of steel structures for Power, commercial and industrial construction projects and implementation of high power transmission lines. The Company has also been into exports of power equipments/components to various funded projects by multilateral agencies.

The Company has been generating revenues mainly from three segments:-

1. Environmental Control Systems
2. Steel Structures & Engineering
3. Power Transmission & Distribution and Overhead Electrification (OHE)

1.2 BASIS OF PREPARATION

The Financial statements of the company have been prepared in accordance with Generally Accepted Accounting Principles in India (GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards specified under Section 133 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 (as amended). The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of Financial Statements are consistent with those of previous year, except for the change in accounting policy explained below.

1.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

a) Use of estimates

The preparation of Financial Statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities, at the date of the Financial Statements. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

b) Tangible Fixed Assets:

Fixed assets except leasehold land are stated at cost less accumulated depreciation. The cost includes freight, duties, taxes and other incidental expenses related to acquisition and installation. CENVAT claim, if any, on capital goods is reduced from the cost.

Capital Work-in-Progress

Projects under commissioning and other Capital Work-in-Progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

c) Depreciation on tangible fixed assets

- i) After enactment of the Companies Act, 2013, Depreciation on fixed assets is provided on straight-line basis at the rates prescribed in Schedule II to the Companies Act, 2013.
- ii) Depreciation on assets added during the year, is calculated on pro-rata basis with reference to the date of installation.

- iii) Depreciation rates have been arrived after applying estimated life provided in the Schedule-II. For calculating depreciation on various categories of assets following estimated life has been provided in the schedule :

Type of Assets	Useful Life in Years
Building	30
Plant & Machinery	15
Office Equipments	5
Vehicles	8
Furniture & Fixtures	10

d) Intangible Assets

Intangible Assets are stated at cost of acquisition.

e) Grant

Grants are recognized when there is reasonable assurance that the grant will be received and conditions attached to them are complied with.

f) Research and Development

Research costs are expensed as incurred.

g) Impairment of Assets

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment of assets. If any indication of such impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in prior accounting periods no longer exists or may have decreased such reversal of impairment loss is recognized.

h) Inventory Valuation

- i) Raw materials and consumables are valued at cost net of MODVAT as per the FIFO method after providing for cost of obsolescence value.
- ii) Stock in process is valued at direct cost i.e. cost of materials and variable manufacturing expenses.
- iii) Finished goods are valued at lower of cost or net realizable value.
- iv) Stock in transit lying in customs warehouse is valued at cost but does not include custom duty payable, however, non-provision of duty does not affect the profit for the year.

i) Revenue Recognition

- i) Income and Expenditure are recognized on accrual basis.
- ii) Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects Central Sales Taxes and Value Added Taxes (VAT) on behalf of the government and therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

- iii) Export sales are accounted on the basis of date of bill of lading.
- iv) Sales and service include excise duty and adjustments made towards liquidated damages and price variation, wherever applicable. Escalation and other claims, which are not ascertainable/acknowledged by customers, are not taken into account.

- v) Revenue from project related activity is recognized on the basis of running bills raised on the basis of completion of the project activities.
- vi) Dividend income is recognized when the right to receive the dividend is established.

j) Investments

Long term Investments are stated at cost. Investments in subsidiary company are of long-term strategic value and the diminution, if any, in the value of these investments is temporary in nature.

k) Foreign currency transactions

i. Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

iii. Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

iv. Forward Exchange Contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contract is amortized and recognized as an expense/income over the life of the contract. Exchange differences on such contracts, except the contracts which are long-term foreign currency monetary items, are recognized in the statement of profit and loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward exchange contract is also recognized as income or as expense for the year.

l) Retirement Benefits

Provident Fund:-

Retirement benefit in form of provident fund is a defined contribution scheme and the contributions are charged to the Profit and Loss account of the period when the contributions to the respective funds are due.

Gratuity:-

The Company's liability in respect of payment of gratuity is provided on accrual basis as per actuarial valuation. The Company is in process of having arrangement with Insurance co. to administer its Superannuation & Gratuity Fund.

Leave Encashment:-

Leave Encashment are valued at cost to company basis without considering any discounting and salary increase and provided on the basis of actual valuation.

m) Taxation

Current Tax:

Current Tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961, except for the overseas subsidiaries and joint ventures where current tax provisions is determined based on the local tax laws. Deferred tax is recognized for all timing differences, subject to the consideration of prudence applying the tax rates that have been substantively enacted by the Balance Sheet date.

Deferred Tax:

Deferred tax liabilities represent the tax effect of temporary differences substantially on account of differences in the written down value of Fixed Assets on account of differing depreciation methods and rates and other timing differences.

The breakup of deferred tax assets and liabilities into major components at the period ended is as below:

PARTICULARS	AMOUNT (₹ IN CRORES)
Deferred Tax Liabilities	
Depreciation Difference & other Provision	4.54
Deferred tax Assets	
Other Provision	0.19
Net Deferred Tax Liability	4.35

Minimum Alternate Tax:

Minimum Alternate Tax (MAT) paid during a period is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

n) Borrowing Cost

Cost in connection with the borrowing of funds to the extent not directly related to the acquisition of fixed assets are amortized and charged to the Profit and Loss Account, over the tenure of the loan. Borrowing cost to the extent directly attributable to acquisition of fixed assets are added to the cost of fixed assets.

o) Segment Reporting

As per Accounting Standard 17 on segment reporting of Institute of Chartered Accountants of India ("ICAI"), the Company has reportable segments viz. Environmental Control Systems, Steel Structural & Engineering and Power Projects during the period under review. Accordingly the reporting is done segment wise.

p) Earning Per Share

The earnings considered in ascertaining the Company's Earnings per Share (EPS) comprise the net profits after tax. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares.

q) Cash Flow Statement

The Cash Flow statement is prepared by the indirect method set out in Accounting Standard-3 issued by the Institute of Chartered Accountants of India as required by the SEBI on Cash Flow Statement and presents cash flows by operating, investing and financing activities of the Company. Cash and cash equivalents presented in the cash flow statement consists of cash in hand and demand deposits with banks as on the Balance Sheet date.

r) Sundry Debtors/Loans & Advances

Company, as a policy, obtains balance confirmation from Sundry Debtors, Creditors and other advances on monthly/quarterly/half yearly basis depending upon quantum of transaction made with the parties. Considering the same, The Company does not have all balance confirmations as at 31st March, 2016 the effect of the same, if any, which is not likely to be material will be adjusted at the time of confirmation.

s) Provisions / Contingencies

A provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on best estimate of the amount required to settle the obligation at the Balance Sheet date.

Contingent liabilities are not recognized and are disclosed in the Notes to Financial Statement.

t) Derivative Instruments

The Company has entered into derivative contracts in the nature of interest rate swaps and forward contracts with intention to hedge its requirements and firm commitments. The contracts are mark to market and losses are recognized in the Profit and Loss account. Gains arising on the same are not recognized on ground of prudence.

u) Deferred Revenue Expenditure

Cost of travelling, Consultancy fee and other expenses related to IRIS Certification are considered as deferred revenue expenditure. 1/5 of the expenditures have been charged to Profit and Loss account.
